FUZZY BLANKET

BF-1

Wrap yourself in warmth and memories with our customizable fuzzy blanket, a perfect blend of personalization and comfort for those cozy nights in. One side of this fuzzy blanket is enveloped in irresistibly soft and cozy white/black faux fur, creating a warm and inviting experience. The other side of the blanket is your canvas for creativity. You can fully customize it with high-resolution photos or intricate vector patterns, allowing you to transform your memories or designs into a work of art.

COZY CAPE

BF-H-1

Wrap yourself in warmth with our customizable cozy cape, a perfect blend of personalization and comfort for those frigid outside games. One side of this plush blanket is enveloped in irresistibly soft and cozy white/black faux fur, creating a warm and inviting experience. The other side of the blanket is your canvas for creativity. You can fully customize it with high-resolution photos or intricate vector patterns, allowing you to transform your memories or designs into a work of art.

PLUSH BLANKET

PB-1

Whether you want to snuggle up in the plush fur for extra warmth or showcase your unique style with a custom design, this blanket provides the best of both worlds. With one side of white faux fur, the other side is completely customizable with whatever you envision! This style of blanket only comes in one size; 60" x 80".

KNITTED SCARF

S-1

Crafted from high-quality, heavy yarn, our knitted scarves are designed to provide exceptional warmth and insulation. The knitted texture adds extra weight, making it perfect for those frigid winter days when you need maximum comfort and protection against the cold.

You have the freedom to create a one-of-a-kind design, with up to 5 colors of your choice. While intricate designs can be challenging to achieve with knitting, simple, bold patterns and motifs are well-suited for our knitted scarves. Think geometric shapes, stripes, or even your initials. The colorful fringe adds a playful touch to your scarf, making it truly customizable.

BOOTS WITH FUR

CPS-BF

Custom boots with cozy faux-fur lining, inside white or black, keep your feet warm in winter. Personalize the outside, except the durable sole, and enjoy cold-weather comfort with no wear and tear or snow seepage.

FUZZY SLIPPERS

CPS-FS

Fuzzy slippers with white or black faux fur lining, adorned with black trim. Personalize the top with high-resolution photos or vector patterns for the ultimate cozy, custom house slippers.

COMPRESSION

CS-COMP

Customizable compression socks, offering up to six colors and intricate logo and pattern options. Opt for simplicity for extra compression benefits, as we prioritize comfort and support for your legs.

WOOL SOCKS

CS-WOOL

Customizable wool socks, featuring up to six colors and a higher wool-to-nylon ratio for superior warmth. Ideal for cozying up at home or wearing with winter boots when the snow falls. Stay toasty in style.

FUZZY SOCKS

CS-F5

Cozy fuzzy socks with up to six knit colors, but remember, simplicity means more fuzzy comfort. Most designs use nylon thread, so choose wisely. Just be cautious on hardwood floors; these snuggly socks can be a bit slippery.
