CHINA | DESIGN TEMPLATE

GUIDELINES/TIPS

- When doing socks through our China MFG, we can PMS color match. Please include PMS codes on files so we can match.
- Logos: intricate details/designs can become pixelated or unknittable if too small
- Unable to knit gradients or shadows, designs must be solid/spot colors
- Heel and Toe sections must be solid colors but can be two different colors
- When finished please save as a PDF file
- Email questions or concerns along with finished designs for review to our Director of Ankle Art anna@sock101.com or kelly@sock101.com
- Designs are not finalized until approved by manufacturer
